KEYWORDS: Familisation, Family in Veda

..... 1 Vyasji has truly said that the great or lightening knowledge in Veda, all are lively and active in this world. To make true the given words, Everyone must be active. The root of all this source is lying in worldfamily. In atharvaveda, it is said that ..... 2 and ..... 3 Which is showing the feeling of joint family. So, this short research letter is the small and kindly try to express this values of vaidik literature.

Family is Rigveda:

Rigveda is the most ancient veda of Vaidik literature. In it, we can see the familyvalues everywhere through its "Richas", like..... 4 Do not think of any other lady except your wife..... 5 means the evil child is possible to born by the characterless ladies. So, do not ever marry characterless ladies, because only A Perfect mother can produce a perfect child. 6

The men and women whose heart is pure, clean and holy must marry each other. The man with healthy mind & body should make a glorious family through marrige. 7

Dear Bride, you spent your life in family so that you will get respected by father in law, mother-in-law, sister-in-law and brother-in-law. 8

Means the mother should be knowledgeable so that her child can be well-cultured. The woman, which produces the child and make her well-cultured by marry the cultured man by that in creases the society honour. Her help is holy as "Kambhenu." So, the values said by the medium of different "Richas" is "Rigveda" to how two important persons of a family can make his family better. The "Manusmriti" also said about the importnace of a woman in this work by "I+..... NJTF"9 The God also becomes happy on them. In "Rigveda" also the woman is addressed as "Prithvi Swarupa".

Family in Yajurveda:

Whose importance is increadible in the trio of veda means Yajurveda is also have give many "Mantras" of Family's Sacrifice, unity, solutions, peace and will culturedness which is like this..... 10 means the mother is the form of Lord Brahma, the father is the form of Lord Vishnu and the teacher is the form of Lord Shiva in the family. The given sentence is the important part of "Taitariya Upanishad" in "Yajurveda" ....."11

To run family better one should get Gold, Animal and Money by hard work. without these the marrige life won't be fulfilled. The progress of Marriage life is in hard work. Like that..... 12 means the good woman completes each work of home with interest, does not be lazy is any work Every intelligent and best woman teaches other women how to run marriage life..... 13

Means the lady who has forgiveness like the Earth, free from cruelty and also has solution of other's fault. That kind of lady is suitable for marriage life. What a married person has to do is said in this "Mantra". 14

Means a married person does always the holy duty to make his boys-and girls nice and characterless by virginity good behaving and Education. And the child to be strong her child, the given "Shlok" is presented. ..... 15 means the pareuts must increase, their iternal strength and body by giving the education of Brahman Vidhya for the gooness of children. Same as Yajurveda wishes the greatness of the Earth by all the holy "Mentras" in the family "Yagna".

Family in Atharvaveda:

Atharvaveda is the Guidance "Veda of this world. For the family it is said in it is like this....."16

Brother and sister do not quarrel each other..... 17 A welcome feeling ends the sin of ours. For the wife, it is said that..... 18 the wife is the Queen of the house of a husband. So..... 19 The husband and wife love each other and added that..... 20 the husband and wife. 21 bound with the string of love. and ..... 21 The husband and wife both earn together. The example of their love this type ..... 22 The husband-wife love each other like..... and the hearts of husband-wife become one. ..... 23 For the trust of each other it is said that ..... 24 Do not ever remember any lady except your wife because the man who have many wives, become unhappy. For the women it is said that..... 25 the woman should speak sweetly, the bitter words ends the piece of house. How a child should be ? is also said in this veda ..... 26 Give birth to the good child. Make the child strong and good human. ..... 7 Make your wife and children good thinker. The sweetness of marriage life is also said this "shlok", ... 28 We husband-wife looked each other always with Love. Achieve the place in each other heart by speaking sweet words from the mouth. be only one soul of our two bodies 29

The given "Shlok" the Husband accept his responsibility and said, "Dear wife, the God has responsed you to me. The responsibility of your living is mine. We both can live for a hundred years by give born to our child. In "Shlok" no. 14/1/43 addressed the bride of the Ocean and said that The ocean make flow the cloud and give the water to rivers and controlled the rivers same as Dear bride, you also make happy to whole family and by being the owner of the house. ..... 30 and also. 31

Dear bride, you can be choice of all family member (Priyadarshini) and make good of whole family from pure heart and that increases the happiness and wealth is the house..... 32

Means the housband who uses the income earned by his wife is become unholy. means to take "Dahej" (Marriage money) is a sin.

The guest must got food before ours this vision..... 34 is shown in this part of "shlok". To get the love of mother father and teachers. One must do good deeds is shown in this "Shlok"..... 35

How should be all members of the family is shown in this "shlok". 36

Means all members of family should be earn, faithfully and jolly. They should not worry of thirst and hunger. and should not have fear of each other. And also given "Shlok" said that all family members join in the work of self-progress. Like,..... ..... 38 Like that each page of "Veda" reflects of the familyfactor.

Conclusion:

Pro. Imsan said that "The Veda" only can make our life the best. Each Philosophy and science of Europe is very small compared to "The Veda" so, Just follow "The Veda" Swami Dayanandji also presents the superiority of "Veda-Veda is the holy book of all truth "Vidhyas" The Ideal beauty of home and family unity element is showed at mony pleace is "The Veda". So Guru Nanak Dev has truly said "All for 'Veds' are 'Brahma Vakya."
