A Role Of Municipal Council And Corporation Of Financial Problems In Nanded District (Maharashtra)

* Dr. A. S. Pawar

* Associate professor, Dept. of Economics, Dr. B. A. M. U. Aurangabad.

ABSTRACT

In this paper includes the study of subsidies, customs, wealth tax from this medium of municipal council and Municipal Corporation. Municipal council and corporation play a central role for every district. There has received importance especially to rural and urban sector from Indian constitution. In the constitution has included total 18th subject still the article (Z.G.) with joined 12th appendix from the 73rd and 74th amendment in the constitution. There has received responsibility and work ability to local self government (municipal council, Municipal Corporation and continental board) through constitution level. State government has constructed, it has established finance commission, election commission for every five year. From this corporation got income those expenditure of corporation spend on the infrastructure as like electricity, education, environment, road, communication, administration and manufacturing etc. There hasn't increased revenue and evaluated property restructure for every four year in Nanded district. There has limit on local leader or extra interfere, due to increased urbanization. Wage rate has more increased 30% urban area comparative to rural area from the model of M.P. Todaro due to increased urbanization. It has increased rural population 3.5 times and urban population increased 13.5 times, in the last century (1901-2001). Nanded cities has increased 30 times due to this city facing the problem of extra population, it is pressure on the local self government. State government has reduced corporation tax and in the place of this to adopt the subsidies policy, due to economy has collapsed.

Keywords : Municipal Corporation, Nanded District

Objective of the research

- 1) To study the trends of revenue and expenditure of municipal corporation and municipal council.
- 2) To study the urban poverty of Nanded district.
- 3) To study the role of local self government in municipal corporation and council in Nanded district.

Hypothesis

- 1) Expenditure of Municipal Corporation has increased every year.
- 2) Municipal Corporation has provided subsidy under the poor people.

Methodology

The study based on primary and secondary data collected from the municipal council and corporation in Nanded district. The reference period of study relates from 1991 to 2010 this is an explanatory research, related statistical technique can be used in the study especially utilized the random sampling method for study. There has 64(25%) corporater has selected from 256 corporater.

Expenditure is divided into the two parts (1) development expenditure (2) non-development expenditure. When we think about development expenditure in municipal council and Municipal Corporation in Nanded district. It was 43.34% in and non-development expenditure was 56.66% in 1985-98. Tax revenue in this region was 47.70% and non-tax revenue was 52.30% during the period 1985-98. Nanded district municipal council and corporation spend revenue on

health was 36.10%, on education 2.53%, on manufacturing 14.84%, on the tax collection 10.81%, on the administration 7.38%, on the protection 3.94% etc.

In Nanded district living 56578 family, quantity of family is more in Nanded district follows biloli 9695, Deglur 8304, kandhar 6898, Dharmabad 5526, kinwat 4850, Mukhed 4041, Hatgaon 4020, Loha 3195, kundalwadi 8590 and very less family in Upari 1603. More than 70% population living in urban area.

Conclusion

It has increased rural population 3.5 times and urban population increased 13.5 times, in the last century (1901-2001). Nanded cities has increased 30 times due to this city facing the problem of extra population, it is pressure on the local self government. State government has reduced corporation tax and in the place of this to adopt the subsidies policy, due to economy has collapsed.

- 1) Municipal council and corporation spent more on non-development expenditure than development expenditure. That adverse effect on living of tax payers.
- 2) Municipal council and corporation collection more from non-tax revenue than tax revenue. Due to Municipal council and corporation depended on Government.
- 3) Chief executive officer has nominal rights of tax collection.
- 4) Municipal council and corporation did not evaluation property tax yearly.
- 5) Women and reserved people get reservation from the constitution. And people have got right of election voting.
