### ABSTRACT

*In Vedic astrology the subject of longevity has been exhaustively dealt in a very detailed manner. To start with, the life of a person is broadly classified Balarishta Yoga, Madhyarishta Yoga, Yogarista Madhyayu Yoga, Deerghayu Yoga and Purnayu Yoga or Amithayu. For finding out this there are various combinations or yogas for each category of life length which have been mentioned in ancient Vedic Astrology texts and have stood the test of time. But some of the malefic yogas may affect adversely such yogas and make the person die with some problems. Here the idea of the researcher is to provide a short note on such malefic yogas.*

#### Introduction

Vedic Astrologers starts their work on horoscope analysis and future prediction by checking the life span or longevity of the person first, because what is the use of predicting events related to career, marriage, wealth, relationship and fame if there is no longevity beyond few years. All the results will only fructify if the native is blessed with longevity. If his or her lifespan is not much then there is no use making prediction for years ahead.

In Vedic astrology the subject of longevity has been exhaustively dealt in a very detailed manner. To start with, the life of a person is broadly classified Balarishta Yoga, Madhyarishta Yoga, Yogarista Madhyayu Yoga, Deerghayu Yoga and Purnayu Yoga or Amithayu. For finding out this there are various combinations or yogas for each category of life length which have been mentioned in ancient Vedic Astrology texts and have stood the test of time.

**Balarishta Yoga** or the astrological combinations for child mortality or infantile death - This indicates that the child is vulnerable to an early death before 8 years.

**Madhyarishta Yoga** or the astrological combinations for teenage age death - This indicates that the death will occur before 19 years.

**Yogarista (Yogaja Ayu) Yoga** also know as Alpayu Yoga or the astrological combinations for death in prime age - This indicates that the death will occur before 32 years of age.

**Madhyayu Yoga** or the astrological combinations for death during mid life - This indicates that the death will occur before 64 years.

**Deerghayu Yoga** or the astrological combinations for death during old age - This indicates that the death will occur before 84 years.

**Purnayu Yoga or Amithayu** or the astrological combinations for full lifespan - This indicates that the death will occur after 100 years. but due to some malefic combination of planets, its aspect and its place also matters in producing malefic yogas. Here the researcher gives detail note on malefic combinations as mentioned in astrological classics.
