### Introduction.

Love and Romance is one of the most widely read topics in the world. A famous saying goes that key to success is marrying right or in today's world having the right partner. Luck in love, timing of marriage, delay in marriage, incompatibility in love/marriage, whether lost love will come back, when will I find love of my life/soul mate, description of spouse - Probable description etc., divorce, second/ multiple marriage, which person to choose for marriage etc. These types of doubts are common to everybody. All of us having the doubt how to select a wife or a husband based on the Horoscopic arrangement. Apart from 10 porutthams the following objectives also to be taken consideration for marriage matching:- Dosh Samyam (Cancellation of Dosham), Dasa Sandhi, Samasapthama, planetary arrangement of widowhood, Vishakanyadosham, Kalatradasha. Here the researcher gives a note on such things.

### 1. Dosh Samyam (Cancellation of Dosham)

Saturn, Rahu, Kethu, Mars and Sun are the Grahams which could trouble a Person depending upon its Position and Strength in a Horoscope. When these 5 planets are in 1-2-4-7-8-&12th places from Lagna, Chandran & Sukran, they create a certain amount of problem, (Dosham). The ferocity of the Dosham depends upon its strength in these houses, such as a Friend or Foe, (Uchcham) High or Low (Neecham) - Ruler or Equal. The total amount of Dosham for the Girl and Boy has to be calculated at the time of Horoscope Comparison for a marriage. If the Dosh index is more for the Girl than the Boy marriage will not be recommended. When the Dosh index is more for the Boy or it is Equal for Both marriage will be recommended. There are several methods to work out the Dosh Index. "

1. When in Girl's Chart, from the Langa (Ascendant), Chandra and Sukra (Sukran) see 2nd, 4th, 7th, 8th and 12th places. When there are any Evil planets (malefic or Papa Grahams) then it will be cancelled when similar planets are occupied in Boy's Chart, even though it could be from Chandra instead of Langa or Sukra or vice versa. This is called cancellation of Dosham. It will be more applicable only in the case of KUJA.
2. In Girl's chart, when langna, Chandra are strong and 4th, 7th and 8th places are aspected (viewed) by Good Planets (Subha Grahams), then it is very good.
3. In General, when the planets occupying in 7th places from Lagna are not the lord's of 6th, 8th and 12th (places from Lagna) then it is good.
4. In General, even the malefic planet (papa graham) is in the 7th place, it would be good, when he is the lord of 7th house.
5. In Girl's chart, when planet in 8th place are depleted (nee-

cham) or enemy and when it is aspected by Guru, Sukra, or Budha (Bhudan) or by Chandra (growing Chandra) with full strength, it is very good.

6. When the place of Surya, Chandra and Sukra in girls chart is occupied in place of Lagna in boys chart (or vice-versa) their intimacy will be good.
7. When the place of Chandra in girl's chart is occupied in place of Lagna or Soorya or Lord of Lagna in Boy's Chart, (or vice versa) intimacy between them is good.
8. See the Chandra raasi in girl's chart. When the same raasi in Boy's chart is occupied by lord of 7th house of boy's chart (or vice versa), their intimacy is good.
9. When Chandra Raasi in girl's chart is the 7th place from lagna in boy's chart, then it is good. When planets are exalted, the intimacy between them will be good.
10. In a horoscope, the place of Guru (Guru), Sukra, Kuja (Sevvai) are in 3rd, 5th, 9th, and 11th place in another horoscope, (from lagna in another chart) then this is a good match.
11. When the place of Sukra in girls chart is occupied in place of Kuja in boys chart the intimacy between them will be good.

### 2. Dasa Sandhi

When you analyse any horoscope, verify the present running Dasa of a person; if that dasa is to be ended within 18 months, it is known as "Dasa Viduthalai" in Tamil which is somewhat detrimental to the interest of the person of the chart. If the same dasa is running for both girl and the boy, (to whom the matching is done) then it is called "Dasa Sandhi". The professional Astrologers, and Pandits don't consider that horoscopes for matching and marriage.

### 3. Samasapthama And Its Effects Opposite Chandra Signs In Boys And Girls Horoscopes

1. When the boys Lagna (ascendant) and the girls lagna are in samasapthama positions it will cause physical attraction.
2. If the janma rasis Chandra signs are like this it is said to create mutual affinity between the couples.
3. This is based on the principle that when the minds are united differences will not exist. All samasapthamas are good except Chingam (Leo) and Kumba (Aquarius). This is based on the fact that Soorya and Sani are mutual enemies. Makara (Capricorn) and Karkada (Cancer) are also not good.

### 4. Planetary combination for widowhood

1. Lord of the 7th and 8th join and occupy the 8th aspected by malefic planets.
2. If the 7th house is occupied by Rahu Lord of the 7th is con-

joined with Soorya and has the aspect of lord of 8th.

3. Lord of 7th combines with Sani and is aspected by Kuja Chandra and Rahu in the 8th House.

5. Rahu in combination with Sani and Kuja occupies the 7th and 8th house.
6. Lord of 7th and 8th join together and occupy the 12th house from ascendant and 7th house is aspected by malefics.
7. If Kuja and Sani are situated in the 7th and 8th house and if lord of 7th is weak and unfavourable
8. If the 7<sup>th</sup> house and its lord lie between two or more malefics with no benefic aspects or conjunctions.

Kalatradosha has been already explained in our earlier unit named Dosham. However this information is a very important one in astrology, the simplified details are given again. Mangalya Dosha or Death of Husband Affliction to or death of wife and planetary positions averting widowhood for girls. Strong malefic in the 8th house in the female horoscope. Is stated to cause early widow hood. If this malefic who is in the 8th house in a female horoscopes is owner of the 7th house. Then widowhood should not be predicted. When there is a malefic in the 8th house if the 2nd or 4th house is occupied by strong benefic like Guru the wife will predecease the husband since 8th house will be aspects by Guru even if there are malefics in the 7th house and the 8th

house in the horoscope of the girl if there is a strong and powerful benefic in her 9th house she will have both good marital life and prosperous children.

1. If the 6th lord and 8th lord. Combine and occupy the 7th house in a female horoscope if Chandra with no digit strength occupies 7th house as lord of the 6th which will happen only if lagna is Kumbha, if Kuja and Guru occupy 7th or if Sani is alone in the 7th or if Sani is alone in the 7th house aspected by 8th lord *she will become a widow.*

5. Guru is in the 7th in Virgo (Kanni) and there are malefics in the 4th house from lagna, *the wife will meet with an early death.*
6. Soorya and Sukra are conjoined in the 5th, 7th, and 9th house from Lagna, the wife will *have deformity of limbs.*

#### 7. Exceptions the Kuta or Poruttham matching

The following are the salvaging factors, if present; one can ignore certain incompatibilities in the poruttham or Kuta or Poruttham :-

1. The absence of Stree-Deerga may be ignored if Rasi Kuta or Poruttham and Graha Maitri are present.
2. If the Rasi of the girl is odd, the 6th and 8th Rasis there from are friendly. If the Rasi of the girl is even the 2nd and 12th there from become friendly. The evil due to the birth of the bride in a Rakshasa gana star may be ignored if Janma Rasi being 2nd and 12th, 9th and 5th or 6th and 8th, the lords of the Rasis are the same or are mutual friends.
3. Though Graha Maitri is by far the most important, it need not be considered if the couple has their Janma Rasis dis-

posed in one and seven from each other.

4. Rajju Kuta or Poruttham need not be considered in case Graha Maitri, Rasi, Dina and Mahendra Kuta or Poruttham s are present.
5. The evil due to Nadi Kuta or Poruttham can be ignored subject to the following conditions: -
6. The Rasi and Rajju Kuta or Poruttham prevail
7. The same planet is lord of the Janma Rasis of both the mate and the female
8. The lords of the Janma Rasis of the couple are friends.
