Introduction.

Marriage is a very solemn binding for the bride and the groom. In India it is a very sacred occasion for the Hindus. The parents and the aged relatives of the boy and the girl to be married take great care before getting them engaged in wedlock as there is no turning back from the marriage vow. The purpose of match making is to ensure a long and happy married life, the ancient Indian sages and saints devised a method to check the matrimonial adaptability or marriageable compatibility which is called 'Marriage Matching' or 'Match-making'. They devised the method of matching by Porutthams Agreement based on the Birth Stars of the boy and the girl. Originally they recommended 20 Porutthams. But out of these only 10 are considered for the actual horoscope matching and in some parts of India only 8 Porutthams are considered. Hence it also popularly known as "Dasa Poruttham" .

10 types of Porutthams

" Dinam ganmacha maahendram streedegam yonirevacha Raasi , rasyaadhipathipau vashyam rajjur vedhascha the dasha"

The names of the 10 types of Porutthams are 1)Dinam, 2) Ganam, 3)Mahendram, 4)Stri-deergham, 5) Yoni, 6) Raasi, 7) Rasyaadhipa, 8) Vasyam, 9) Rajju and 10) Vedha.

This heavenly constitution exert their combined astral influences on human beings. The poruttham agreement is ascertained by examining the birth stars and the Janma rasis, of the boy and girl. Each Poruttham has a specific role or a part to play.

1.Dinam (Dinath Ayushyam Aarokyam)

The presence of Dina Poruttham agreement ensures that the husband and wife remain healthy and free from all sorts of diseases and will enjoy all comforts and a long lease of life.

Count the stars beginning from the star of the girl. If such counted number comes as 2,4,6,8,9,11,13,15,18,20,24,26, it is good and agrees. If Rohini, Ardhra, Makha, Visaka, Sravana, Hasta, Uttarashada, Revathi happens to be the same star for girl and boy they agree.

In cases of Mrigasira, Aswani, Krithika, Punarvasu, Pushya, Poora, Uttara, Chitra, Anusha, Uttarashada, Purvashada stars, if they are same they also agree but are given secondary choice. Others do not agree.

In cases where the two stars are same it is good that the signs of the boy leads that of girl. 27th star even in different signs has to be rejected.

Vadham and Vainasikam

If the boys star is the 7th when counted from that of the girl, it is termed as Vadham, naturally, the boys star is 22nd when counted from the star of the girl, it is called vainasikam, such a combination does not receive the approval of the sages. But there is an exemption dealt with by "Kasyapa Rishi" . He approves the match between the following stars:-

Ardra- Uttram
Pooram-Anusham
Poosham- Chittira
Punarvasu-Hastam
Rohini-Makam
Poorva prostapada-Rohini
Aswini-Punavasu
Swathi-Utrashadam

In the above combination of the stars propagation of clan due to birth of children is assured by the sages.

2. Ganam (Sobanam Ganam Evacha)

This Poruttham ensures compatible sex life. It is the matching of the human minds and their temperaments.

1. If both boy and girl is same Gana they agree.
2. In case the gana of the girl is Deva and the gana of the boy is Manushya or Rakshasa it agrees as secondary.
3. In case the gana of the girl is Manushya and the boy is born in devagana, it agrees or Rakshasa it doesn't agree.
4. In case the gana of the girl is Rakshasa and the gana of the boy is Deva or Manushya they don't agree.

There are some exceptions:-

1. Suppose the girl is born in Rakshasa gana, then count the star of the girl from that of the boy, if it is above 14 the evil effects will be warded off. They can be matched.
2. If the boy and girl are both born in same sign or if the lords of their sign happens to be the same or friends or if they are in same saptama then even if there is no gana porutham it can be matched.

Girl	Boy	Remarks
Deva	Deva	EXCELLENT
Deva	Manushya	MODERATE
Deva	Rakshasa	MODERATE
Manushya	Deva	EXCELLENT

3. Yoni (Yonitho Dhampathy Sneham)

This is another Porutham which is interpreted in two ways. The word Yoni indicates the private reproductive organ of a woman. So it is said that presence of Yoni Porutham is a must to ensure sexual compatibility.

Each star is having certain animal force associated with it. They are:

Nakshatra	Animal	Nakshatra	Animal
Aswini	Horse	Bharani	Elephant
Kritika	Goat	Rohini	Snake
Mrigasira	Snake	Ardra	Dog

Revati	Elephant		

Cow and tiger, elephant and lion, horse and buffalo, dog and deer, rat and cat, goat and monkey, snake and mongoose are declared enemies to each other. The stars of mutual enemies do not agree. If they are of some yoni but only enemy to each other as dog and cow they agree as secondary. This agreement confers mutual love between husband and wife.

4 Rasi (Rasinam Vamsavirthi Kiruth)

This ensures the continuation of one's family through the birth of a son. If there is no progeny or issue, his family and tradition will end with him. Another school of thought interprets it as cordial relationship between the daughter-in-law and her in-laws.

1. If both the signs are same there is agreement and in such a case the Rasi of Aquarius, Leo, Cancer, Capricorn do not agree,
2. If the rasi is 2nd from that of a girl, long stand of married life is not assured.

Exception:- If the girl born in OJORASI or ODD SIGNS there is no DVIDVAADASA Dosha.

3. If the rasi is 3rd counted from the sign of the girl the married life will not be pleasant.
4. If the rasi of the boy is 4th from that of the girl they will lead missarable life.
5. If the rasi is the 5th from that of the girl, undisreible happening may occur in married life.

Exception :- If the girl is born in mesha or kataka the evil effects will be warded off.

6. If the rasi is the 6th from that of the girl, there will be loss of children.

Exception:- If the girl born in OJORASI or ODD SIGNS there is no SASHTASTAMA Dosha.

7. If the both signs are mutually in seventh to each other they can be matched. The rest of the rasis 9th 10th 11th and 12th from that of the girl can be matched.

5 Rasiyathipaty(Santhanam Rasiythipathy)

This refers to the friendship between the lords of the birth stars of the girl and boy. This Porutham ensures santhanam. The word santhanam also means progeny which is denoted Rasi Porutham.

See the Rasi of the boy and girl, their lords should be friendly or neutral. This aspect confers children.

Planet	Friend	Enemy	Neutral
Soorya	Chandra, Kuja, Guru	Sani, Sukra Rahu, Kethu	Budha
Chandra	Soorya, Budha	Rahu, Kethu	Kuja, Guru Sukra, Sani
Kuja	Soorya, Chandra, Guru	Budha Rahu Kethu	Sukra Sani
Budha	Soorya, Sukra	Chandra	Kuja, Guru Sani, Rahu Kethu
Guru	Soorya, Chandra, Kuja	Budha, Sukra	Sani, Rahu Kethu
Sukra	Budha, Sani Rahu, Kethu	Soorya, Chandra	Kuja, Guru
Sani	Sukra, Budha Rahu, Kethu	Soorya, Chandra, Kuja	Guru

6 Rajju (Rajju Mngalya Vrithisyath)

This bestows on the girl living happily with the husband for the long time. It is considered as the most important of the ten Porutthams as it ensures a long life for the husband.

The group stars make up a figure. The groups form foot, thigh, middle, neck, head. They are as follows :

Portion	Star
Head	Mirgasira, Chitra, Dhanishta
Neck	Rohini, Ardhra, Hasta, Swati, Sraavana, Satabisha
Middle	Krithika, Punarvasu, Uttara, Visaka, Uthrashada, Purvabhadra
Thigh	Barani, Pushya, Pubba, Anuradha, Uttarabhadra, Purvashada
Foot	Aswani, Aslesha, Maka, Jyeshtha, Moola, Revati

If both the stars of the boy and girl come in the same portion as foot or head or neck etc there is no agreement. If they happen to be in the same line as head, the husband will die, if in the neck, the wife will meet death, if in the middle loss of children, if under thigh extreme poverty and if under foot pitiable wanderings. This is a very important agreement.

7 Vedha (Vedhaya Sohanasanam)

Vedha means affliction. This Poruttham agreement wards off all evils and pitfalls in married life. A happy and prosperous married life is assured as a result.

Certain stars are mutually anti or opposite to each other. The star of boy and girl should not be mutually anti to each other. They are as follows :

Aswini	Anti to	Jyehsta
Bharani		Anuradha
Kritika		Visakha
Rohini		Swati
Ardra		Sraavana
Punarvasu		Uttarashadha
Pushya		Poorvashadha
Aslesha		Moola
Magha		Revati
Poorvaphalguni		Uttarabhadrapada
Hasta		Satabisha
Uttaraphalguni		Poorvabhadrapada

Mrigasira, Chitrai, Dhanishta are mutually anti to each other. This vedha agreement is very important like Rajju agreement.
