Creat Blog :

Everything about law and society I feel that every one needs to know some thing about law and some thing about society. In which we live, man is by nature a political animal said Aristotle :

"Man is a social animal."

Baruch Spinoza said that :

"To write well, express

Yourself like a common people,

but think like a wise man,

or, think as wise men do,

but speak as the common

people……."

Live-In-Relationship-Legality

……..

There is no legal bar in India for women and men staying together, as it is matter of two consenting adults and live-in-relationship is not socially accepted in India and still considered as taboo and sin. No one will prefer to have unmarried couple as tenants, unless they are convinced that couple is legally married or unless they mislead the house owners that they are married. The author of this article is neither criticizing nor supporting the concept of live-in-relationship. This is only critical examination of the issue.

The Supreme Court' Law and morality ;-

The Supreme Court of India, bench consisting of chief Justice K.G. Bala Krishan, Deepak Verma and B.S. Chauhan in actress Kushboo case said :

"When two adult people want

to live together, what is

the offence, Does it amount

to an offence? Living together

is not an offence, it cannot

be an offence. The court

opened according to Indian

mythology even Krishna and

Radha lived together."

Traditional and customary view point :-

The most hardcore moralist and traditional Hindus criticized Delhi High Court in Naaz foundation opined that time has come to decriminalize 377 IPC, Social deviants gay relationships, this issue is pending with Supreme Court of India.

Social evils in India are gradually transforming the face of India society.

What is Live-in-relationship?

"It's better to have a live in relationships rather than having a divorced life."

There is no statute directly dealing with live-in-relationships in India. The Hindu marriage Act, 1955, confers the legitimacy on child born out of void and voidable marriage and established there: Succession and property rights.

the said observation :

"There were of view that

It will damage the institutions

of marriage and encourage

extra-marital relationship

and casual sexual relationship

out of wedlock, which will

dilute the concept of holy marriage

....."

Disadvantages of live-in-relationship!

1. Not a legally recognized relationships.
2. Faces social problems
3. No support from family and bound to get isolated in social circles.
4. Children born out of live-in-relationship faces problems.
5. Insecurity and Treat of breaking, bound to haunt couples.

Live-in-relationships and social acceptane.

Many opined that there are many successful living examples of live-in-relationships, moreover, we can say successful to each other is important are prevalent in higher classes in urban educated class society and there is demand to decriminize 377 IPC.

CONCLUSION :-

Society is formed with traditions and customs which are foundational pillar. India, a country of cultural values cannot afford to fall into western ways. But since growing economy and people getting more and more aware. Indian finally has to step ahead and walk with the rest of the world by legalizing live-in-relationship.

Legalizing live in relationship means that a totally new set to laws need to be framed for governing the relations including protection in case of desertion, cheating in such relationships, maintenance, inheritance etc. Litigation would drastically in crease in this, case. Moreever the psychological impact on children born out of this relationship would be very bad leading to mental diseases and crimind tendencies. All this would give rise to an unstable society. Though the live in relations provide the individuals individual freedom but due to the insecuring it carries it with, there needs to be a law to curtail its disadvantages.
